Northumbria Police Drink Drive Campaign - **Do Not Drink-Drive**

Drink Drive. The best advice is don't drink and drive.

If you're planning to drink alcohol, plan how to get home without driving

Options include agreeing on a designated driver, saving a taxi number to your phone, or finding out about public transport routes and times before you go out.

If you drink alcohol at home

Unplanned events can lead to situations occurring either while drinking at home or after drinking, which leads to someone driving. Remember home measures are generally more generous than pub measures. There can be no excuse for drinking and driving. Don't be tempted to drink and drive.

If you do drink alcohol

Do allow sufficient time after drinking before driving to allow the body to rid itself of ALL the alcohol.

Don't offer an alcoholic drink to someone you know is planning to drive

Even if you're not driving, you can help reduce the number of people who are killed and injured

every year by drink driving.

Don't accept a lift from a driver you know has drunk alcohol
