

Coquetdale Community Message

Concerns have been expressed relating to the prison release of Joseph Kinnear, who in 2007 was convicted of sexual assaults.

Coquetdale Community residents can be assured that this individual is being carefully managed through the Multi Agency Public Protection Arrangements (MAPPA), and as a result of a thorough risk assessment by prison, probation and police staff, comprehensive multi agency risk management plans have been put in place to reduce any likelihood of re-offending.

"MAPPA is a well established system which is very effective in managing and reducing risk, ensuring that every legally available and proportionate measure is taken to protect the public."

If there are any further concerns, please contact Coquetdale Neighbourhood Policing Team:
