## ***Welcome to the 98th Glanton Show***

### **Chairman's Welcome 2023**

Welcome to Glanton for another opportunity to sample the special atmosphere and friendly sociability which characterises our Show. Indeed this year is very likely to be the last time we can use the field we have occupied for many years now owing to a future housing development, so make an extra effort to get to the Show and savour the beauty of our hillside location and the views across the valley.

We have a great show planned for you this year, we have tweaked some of the classes to keep the entrants on their toes, we have a great line up of children's activities including the kiddies sports, a funfair, a bouncy castle and for the older kids a paintball firing range run by the army. Hopefully there will also be a fire engine though as ever that is dependent on their operational needs on the day.

Our main ring attraction will be sheepdogs herding geese and ducks – always a sight to see! In addition there will be the hounds of the West Percy Hunt welcoming the children (and big children too) into the ring to get up close and personal with these lovely dogs. As ever we will hold a Companion Dog Show under Kennel Club Rules, there will be numerous stallholders, food providers and entertainments, a classic car display and our usual Hill Race all packed into one afternoon to provide you with great value entertainment and variety. Why would you want to be anywhere else?

*Find us on [www.glanton.org.uk](http://www.glanton.org.uk)*

*Follow us on Facebook: Glanton Village Show*

**Entry fees: Adult £5, Child £1, Family ticket £10 for two adults and up to four children. No concessions.**

If you would like to have a stall or stand at the show please contact Glenn Martin (see pg.29)

The picture for the children's colouring class (EY1 and K1) and copies of the entry form can be downloaded from the Glanton website [www.glanton.org.uk](http://www.glanton.org.uk)

Please note all details are correct at time of going to press but may be subject to change. Advance changes will be posted on the Glanton website.

## HAVE A GO—ENTER SOMETHING FOR THE SHOW!

There's something for everyone in Glanton show, so have a look through and see which classes you would like to enter. Everyone takes photos - so why not enter one? You don't have to be an expert, and there's always the cookery disaster class!

And remember, all entries are free!

Online entries can be made at [www.glanton.org](http://www.glanton.org), or you can fill in the entry form at the back of this schedule with your details and the classes you want to enter, then copy or cut it out and put it in the box in Glanton Post Office. Alternatively post it to the Entries Secretary at 4 The Causeway, Glanton NE66 4AY, or drop it in through his letterbox. Make sure it's there by Wednesday August 9<sup>th</sup>.

Get ready for show day by sorting out your entries and putting class number label on each one. Children's entries need their age as well - but no names.

Show day is here! Get to the show ground early (it is open at 8.00 am) and look for the secretary's caravan, where you can collect your personal entry numbers.

Put one of your I.D. numbers on each of your exhibits - it doesn't matter which goes on which. Put each exhibit in the right class area in the marquee.

Prize money has to be claimed after the presentation of the main prizes from the secretary's office (i.e. the caravan...)

And finally . . . . GOOD LUCK!

Aim for flowers that are fresh and in peak condition, with no damage or blemishes. Groups need to be as uniform as possible in size, shape and colour. And don't forget, arrangement is always important in flower displays.

With roses you want strong stems that are in proportion to the blooms, and flower heads that are not touching.

Pansies, buttonholes and sprays look much better if presented on a display board.

## TOP TIPS - VEGETABLES

They need to be clean, and to be fresh and tender. They should be unblemished, and have a good colour. Size isn't the most important thing - quality comes first. Groups need to be uniform in size, shape and colour.

Peas and beans are better if presented on a background like a doily. Leave the bloom on the peas, and choose ones that are full and deep green. With beans look for straight, tender pods with no outward sign of the seeds.

With onions go for firm, mature bulbs with thin necks.

The best tomatoes are firm, ripe and richly coloured. Choose round, medium-sized fruits with their calyces attached.

Cabbages should be nice and fresh with a good shape and a solid heart. Trim them to one outside leaf.

Collections of vegetables look better against a black background.

## HANDWRITING TEXT

### SCHOOL YEAR 3 AND YEAR 4

#### MISSING

Has anyone seen my mouse?  
I opened his box for half a minute,  
Just to make sure he was really in it,  
And while I was looking, he jumped outside!  
I tried to catch him, I tried, I tried . . .  
I think he's somewhere in the house.  
Has *anyone* seen my mouse?

A.A. Milne

### SCHOOL YEAR 5 AND YEAR 6

#### THE ROCK AND THE SAND

Long-lined, the foaming chargers of the sea  
Press onward in the sun, a glittering host,  
Tossing their plumes and breathing angrily.  
Long-lined, a seething ocean at their backs,  
They dash against the rocks. The flying spray  
Is like the smoke of battle, and the spume  
Is like the froth of men and beasts at bay,  
Driven to desperate daring. On and on  
The long attack is urged, and endlessly.

Amos Russel Wells

## TOP TIPS - COOKERY SECTION

Read the schedule carefully. If a number of items or size is specified then stick to it. Bread should be made 24 hours before judging. Don't use commercial tin liners - show more skill by lining your own tins.

There should not be any cooling tray marks on the top of the cakes.

Savoury scones should be cut out using a plain cutter and can be glazed with egg or milk. A fluted cutter is used for sweet scones. These are not glazed.

A biscuit is normally rolled and cut out. A cake or round of shortbread should be about 12mm (1/2 inch) thick. Pieces of tray bake should be of an even size and shape with all four sides being cut sides.

Pastry should be of an even thickness, evenly baked and if it is a tart or flan then the underneath should not be underdone. All pies, flans and tarts should be presented out of their dish or case.

Jars and lids used for preserves should be plain, with no trademarks or names on them, as these contravene the Trade Description Act. If cellophane covers are used they also need a well-fitting wax disc on top of the preserve. If twist tops are used they should be new and do not need a wax disc. Lemon curd does not have a metal top. Chutneys should have vinegar proof lids and be at least 6 months old.

Where not specified in the schedule any flavours should be identified.
